

Command Cards

This is a fun game to play with new readers! Print the command cards and cut them apart. Read the cards one time through just for practice, then place all of the cards face down in front of you. Take turns choosing a card to read in secret, without showing anyone else. Act out that command so the others can guess your word.

Note: Page 1 is best for beginners and the words on page 2 are a bit more advanced. Page 3 is blank so that you can write your own commands!
